Foreword

In many ways our school life resembles a three-ring circus. The students represent the performers trained by their teachers, all striving to perfect their acts.

This show leaves only gay and exciting memories of the completed performance. The work done behind the scenes, the hours spent improving routines, the whip-cracking necessary to keep everyone in step—all are forgotten in the finished product.

As you look through these pages, we of the 1954 Fasti staff hope you will remember this year's performance with pride.

Long 4 years have

The graduating class of 1954 now stands on the threshold to the future. Our four years at Chaffey, in building for this moment, have been filled with outstanding activities. We can, as a class, proudly look back at our experiences through these years.

As Freshman, the class of '54 was attributed with giving one of the best assemblies in quite some time — a truly outstanding accomplishment. Likewise, the Sophomore and Junior years were filled with pleasant memories, class assemblies, special sales, and class teas.

The climax to our high school life has come as it should, in this our Senior year. The graduating class of 1954 honored Chaffey by presenting as its Senior Play, "Finian's Rainbow." The play was truly one of the greatest productions Chaffey has ever presented.

The 1954 Senior Tea, Dance and Play Day will always remain pleasant memories to this graduating class. Graduation itself was climaxed by the wonderful Graduation Dance. Indeed, as we the graduating class of 1954 look back on our days at Chaffey, we may be justly proud and happy.

Graduation Speakers

Every circus must reach a finale climaxing the exciting performance. Graduation is the final act for the seniors. It holds the joy of a show well done and the sadness of the realization that they will never do it again. Although each one who has participated in the entire performance is in the finale, only these four people have the honor of speaking for all of them.

Albert Valle has been active in speech activities throughout his high school career, winning the Upland Lions' Club speech contest and serving as president of the National Forensic League. He was also president of the senate at the 1954 Student Congress.

Jane Franks participated actively in Student Council, representing the girls of Chaffey as Girls' League President. She also won the local division of the Bank of America achievement awards contest in the field of liberal arts.

Dave Flocker was elected vice-president of the student body second semester, and as such acted as president of the Legislative Council. This year he won the Ontario Lions' Club speech contest and played King Neptune in the Extravaganza.

Joe Agapay has had many honors during his senior year. He held the office of first semester student body president. He represented Upland at Boys' State and was elected Lieutenant Governor. He was then chosen one of two boys from California to attend Boys' Nation, where he was appointed Secretary of State.

These four speakers were chosen by the seniors as outstanding in their field. They represent the class and speak for them before the band strikes up the final tune and the grand march is over.

The student council is the governing body of Chaffey. The members of it are elected by the student body as a whole, and their job is to serve the students. Joe Agapay, first semester A.S.B. president, did a very fine job of heading an excellent council, under the very capable guidance of the advisor, Mr. Thomas Glasheen.

Council

Second semester Student Council worked actively for the better welfare of the students. Mary Riddington, the first girl A.S.B. president in 14 years, attained many new privileges for the students. Among them were the first exchange assemblies with Pomona and Riverside. Many other activities kept the council hard at work to round out the school year.

This year the Chaffey Speech Department played host to the annual C. B. S. L. Student Congress. Held on December 4 and 5, the two day affair brought many students from eight schools to Chaffey to participate in a model Congress fashioned after our national Congress.

The picture at the left shows the students acting as Senators, debating on issues vital to our schools and to the students.

A humorous pantomime which illustrates a bus ride

Activities

Learning the techniques of staging, falls, entrances, applying make-up, and the fundamentals of dramatics were all a part of the activities of the Junior Dramatics classes under the instruction of William Simonsen.

Besides producing the Junior Play and Junior Assembly, the classes presented several assemblies for the school. The first was the Christmas assembly, which recreated the story of "The Nativity." At several rallies for football and basketball, the classes presented skits to arouse the school spirit.

Outside activities included entertainment for town clubs, P. T. A. programs and an evening of short plays for the public.

Junior

Mr. Simonsen demonstrates how to read a play correctly.

This pantomime of a roller coaster was another of the many class projects.

Entertaining their fellow classmates as well as learning the fundamentals of acting, the Senior Dramatics classes had several activities for the year. In class they listened to records and Greek plays, presented humorous pantomimes, and prepared cuttings from plays for their classmates to criticize to help them improve.

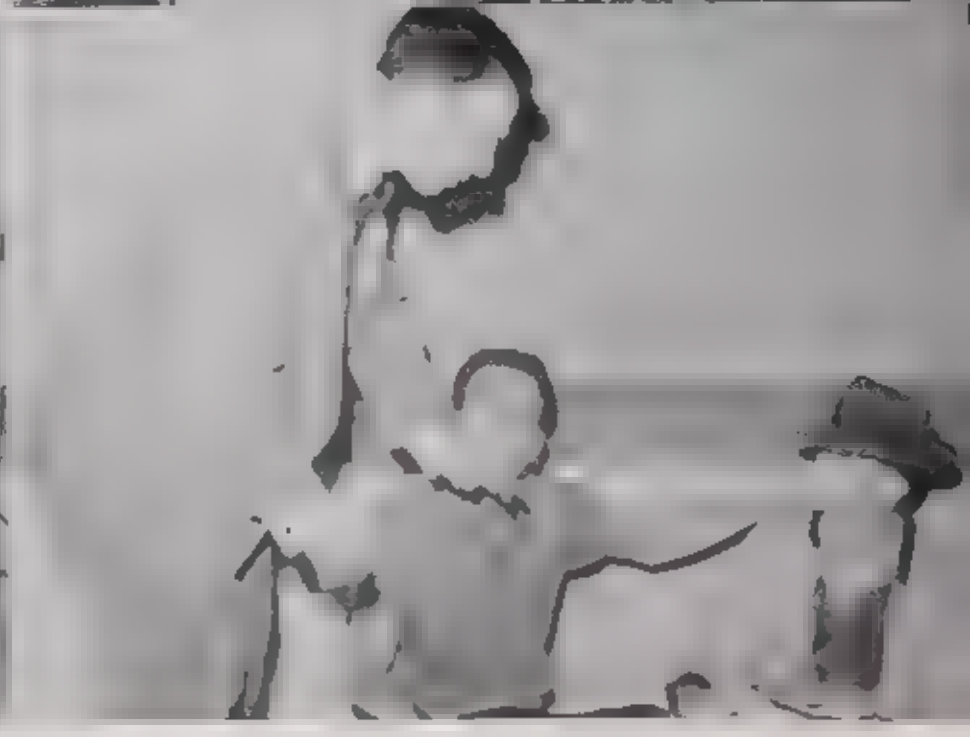

The student body enjoyed two very fine assemblies presented by the classes. The first was an Armistice Day assembly and the second had its emphasis on Conservation.

Under the direction of advisor, Mr. Perry Polski, the classes had a very fruitful year in their production of "Finian's Rainbow" and the Senior Assembly.

A play requires many rehearsals by the cast.

When the Idle Poor Become the Idle Rich

"Finian's Rainbow," a smash Broadway hit, was the first musical comedy to be presented at Chaffey. The story of an Irishman, a pretty colleen, and a leprechaun, the play was staged at Rainbow Valley in the mythical state of Missitucky. During the two acts of the play such songs were heard as "How Are Things In Glocca Morra," "Look To The Rainbow" and "Come And Get It Day." Through magical tricks and Irish shenanigans the play ended in a rollicking success.

"To Rainbow Valley, I can see it right here in me telescope."

Spanish Club Banquet

The annual Spanish Club Banquet was held on December 15. After the reception and dinner, the Art contest winners were announced with Donna Hudson winning first place. Mr. Owen Moore of the Social Science Department was the featured speaker with a talk on Guatemala. The climax of the evening came with the traditional Pinata game at which time gifts were exchanged. The entire production was under the sponsorship of Mr. Paul Coronel.

Roman Banquet

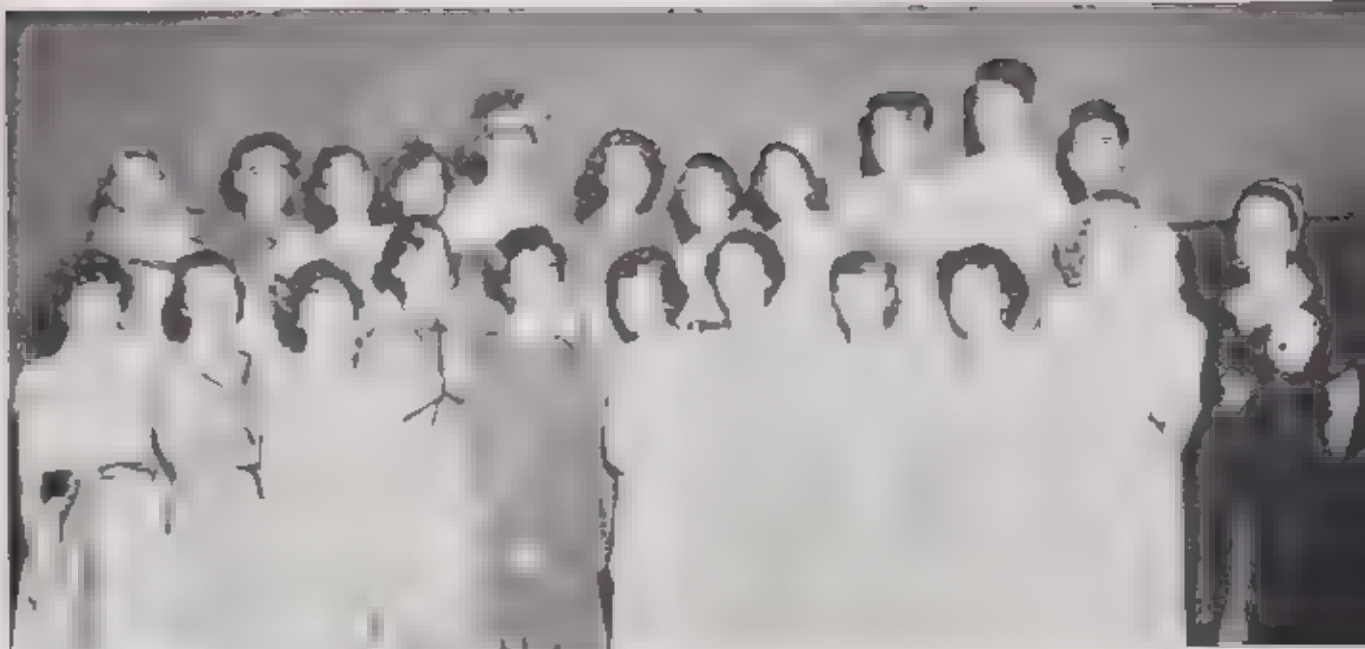

"Antony and Cleopatra Present a Roman Banquet" was the theme of the Roman Banquet this year. After the greetings and dinner the third and fourth year students presented several plays for the enjoyment of the guests — "Ulysses," "Hero and Leander," "Helen's Husband," and a scene from "Antony and Cleopatra." The entire production was under the direction of Miss Esther Hanning, Latin teacher.

Under the sponsorship of the Ontario Kiwanis Club, the Key Club began an active year of school service. Guiding parents at "Back to School Night," selling refreshments at the basketball games, and running the concessions at track meets were a few of their many projects. One of the most popular events sponsored by the club was the Bowery Ball. Dan Anady, president, and Ernest Rehnstrand, advisor, did an excellent job of leading the club through a very successful year.

Beginning their year of school service projects, the Cavaliers sold tags promoting football games. One of their most important projects, keeping the halls clear of students during first and seventh periods and noontime, won the praise of the faculty and the administration. Under the capable advisorship of Clyde Francisco, with Joe Agapay and Bob Johnson serving as presidents, the club has had a very active year.

Activities

"Earn A Letter For Your Sweater" was the theme of the G.A.A. this past year. If a girl had been an active member of the club for two semesters, she received a block letter at the annual spring banquet. At this banquet, as well as the one in February, the officers for the next semester were revealed, awards given, and the seniors were honored.

The girls showed their sportsmanship several times during the year when they participated in C.B.L. playdays and at special meets with Claremont, Fontana and St. Bernadines High Schools. In such sports as basketball, baseball, volleyball, softball, and tennis the girls were many times victorious.

On May 7, 1954 the annual Spring Formal, Stranger In Paradise, was held in the Student Union Building. The many couples that attended enjoyed dancing to the dreamy melodies of Paul Martin's band from Los Angeles.

Stars In Our Eyes

1954

The Chaffey Student Body presented "The Four Winds and The Seven Seas" as the 1954 Extravaganza. As an exotic tale of swash-buckling pirates, mermaids, and a modern Treasure Island, the entire production is set in the Caribbean. The scenes take place on the pirates' ship, down in Davy Jones' Locker in Neptune's watery kingdom, and on a treasure-laden island.

The skit was written by Mr. William Simonson, the choreography was by Miss JoAnn Clauser, and the chorus was under the direction of Miss Ruth Krouch and Miss Joyce Holly.

Inglewood—14

September 18

Opening against a powerful Inglewood team proved too much for the Bengals. While holding the visitors to an even game the first period, they were unsuccessful in the second and third, allowing Inglewood to score twice. With both conversions counting the Sentinals went out in front 14 to 0. During the rest of the second half Chaffey's fine defensive play was extremely impressive

Chaffey—20

September 25

On the opening kickoff the Moors ran 80 yards for a touch-down and booted their only conversion. Agapay carried the ball for all three Tiger scores, after Tipton, Hoyos, Craft, Smith and Young had set the stage for him. Two conversions were completed, giving the Bengals a 20 to 7 victory.

The Saints scored first, but the inspired Tigers drove home twice to go out in front 13-6. Then Santa Ana took over and pushed the score up to lead 20-13. After a punt Johnny Wallace made the final T.D. for the Tigers. The conversion try failed, and Chaffey left the field trailing 19-20.

Chaffey—16
Santa Barbara—33
October 9

Santa Barbara, out for vengeance from last year's defeat, overran the Tigers by a score of 33 to 16. Chaffey scored with two touchdowns, the conversions and a surprise safety. Santa Barbara marred the end zone five times and shadowed the uprights after three of the scores. Chaffey rooters, saddened by the score, had additional reason for grief when Steve Young broke his leg, thus shelving the great end for the rest of the season.

Chaffey—19

October 16

Bad luck stalked Chaffey in this fray. Both teams scored three touchdowns, but the Tigers failed in one all-important conversion. Two T.D.'s came as a result of brilliant passing by Louie Hoyos, while Joe Agapay sprinted into the end zone for the final Tiger score.

Chaffey-19 Redlands-19 October 23

In a thrill packed game the Chaffey Tigers held the much-favored Redlands Terriers to a tie. Scatback Howard Tipton broke into the open and rambled 35 yards for the first score. Joe Agapay bulldozed over for the other two touchdowns, while Louie Hoyos converted once. Fighting desperately the Terriers scored in the second and third quarters. In the final exciting seconds of the game Chaffey stopped the driving Terriers on the six-inch line to avert defeat.

Chaffey-42 Riverside-13 October 30

By thoroughly crushing the Poly Bears, Chaffey bounced back into the league standings. Hoyos connected on 13 out of 16 passes, three of them for touchdowns, and completed a spectacular evening by kicking all conversions. Other scores came on a fumble recovered by George Bleich, and a pass intercepted by Carl Bare

Chaffey-13

Pomona-54

November 13

The Tigers received one of their worst defeats in history! Pomona began by racking up three touchdowns in the first quarter. Chaffey came back in the second quarter to make two touchdowns, but after that Pomona repeatedly crossed the end zone to add points every quarter. Our scores came on a pass to Craft and a run by Hoyos.

Chaffey-20

San Bernardino-13

Hard hitting Joe Agapay hit paydirt twice, and Lou Hoyos crossed the goal-line once to bring victory to the Tiger camp. The Tigers were in trouble twice, but their solid line stopped the Card offense both times.
